CANADIAN POPULATION SOCIETY

2016 Annual Meeting

Program

Tuesday, May 31, 1:00 PM - 5:00PM

Location: Social Science (SS) 819

2016 Graduate Student Conference

Conference Organizer: Yuji Sano, Western University

1:00 – 1:30

Middle-age employment experiences and future expectations: Differences between men and women

Haosen Sun,

University of Toronto

Research Trainer: Zenaida Ravanera, Western University

1:30 – 2:00

The racial/ethnic disparities in LTPA among women: The association between nativity, social network and physical activity awareness

Eugena Kwon, Western University

Research Trainer: Sean Clouston, Stony Brook University

2:00 – 2:30

School-Work Transitions Among Racialized Second-Generation Immigrants

Awish Aslam, Western University

Research Trainer: Lisa Kaida, McMaster University

2:30 – 2:45

Coffee Break

2:45 – 3:15

The Effect of Social Connectedness and Social Support on Physical and Mental Health among Immigrant and Non-Immigrant Elderly Canadians

Natalie Iciaszczyk, Western University

Research Trainer: Susan McDaniel, University of Lethbridge

3:15 – 3:45

Baby Bonus, Anyone? Examining Quebec's Pro-Natal Policies

Natalie Malak, Md Mahbubur Rahman, and Terry Yip, McMaster University

Research Trainer: Fernando Mata, Carleton University

3:45 – 3:50 - **Closing comments**

CPS COUNCIL DINNER (For New and Old CPS Council members)
Tuesday, May 31, 7:00 PM - 9:00 PM

Location: Administration Building Room 100

Chair: Alain Belanger, CPS President

**CANADIAN POPULATION SOCIETY, 2016 ANNUAL MEETING
PAPER SESSIONS: WEDNESDAY-FRIDAY, JUNE 1-3**

DAY ONE: WEDNESDAY, JUNE 1

Session 1.1: Social Diversity

Wednesday, June 1, 8:30-9:45

Location: Administration Building (AD) Room 140

Session Organizer: Lisa Kaida, McMaster University

Session Chair: Don Kerr, King's University College

Patterns and determinants of immigrants' sense of belonging to Canada and their source country

Feng Hou, Statistics Canada, Grant Schellenberg, Statistics Canada, and John Berry, Queen's University

Vulnerable Young Adults' Entry into Full-time Work

Zenaida R. Ravanera, Western University, Juyan Wang, Western University, Rod Beaujot, Western University, and Jianye Liu, Lakehead University

Neighbourly Environments of the Canadian and Foreign-Born, Fernando Mata, University of Ottawa.

Seasonal Variation in Social Network Resources among Older Adults. Jason Settels, Laura Upenieks, Dr. Markus Schafer, University of Toronto.

Wednesday, June 1

BREAK 9:45-10:00

Session 1.2: Regional Demographics

Wednesday, June 1, 10:00-11:15

Location: Administration Building (AD) Room 140

Session Organizer: Anne Milan, Statistics Canada

Session Chair: Ann Kim, York University

Providing some demographic & regional context on recent job numbers in the Southwest of Ontario

Don Kerr, King's University College at Western Ontario

The determinants of educational attainments and labour market outcomes among the children of immigrants in Quebec

Jacques Ledent and Alexandre Escouflaire, Institut national de la recherche scientifique

Child poverty and nutrition among Aboriginal people in Canada
Germain Boco (Research Associate, University of Lethbridge), Simona Bignami
(Associate Professor, Université de Montréal), David Daignault (AARDC), Guillaume
Morin (Master's student, Université de Montréal)

Baby Bonus, Anyone? Examining Quebec's Pro-Natal Policies
Natalie Malak, Md Mahbubur Rahman and Terry Yip, Department of Economics,
McMaster University

**Session 1.3: Contemporary Demographic Transformations in the Canadian
Aboriginal Population**

Wednesday, June 1, 11:15-12:30

Location: Administration Building (AD) Room 140

Session Organizer: Simona Bignami, Université de Montréal

Session Chair: Frank Trovato, University of Alberta

Aboriginal Seniors in Canadian Population Centers
Vivian O'Donnell, Social and Aboriginal Statistics Division, Statistics Canada
Michael Wendt, Social and Aboriginal Statistics Division, Statistics Canada
Pamela Quart, National Association of Friendship Centers

Depression and Chronic Conditions among Aboriginal Canadian seniors
Simona Bignami, Yves Carrière, Catherine Herba, Marylin Ann-Tremblay, and Miguel
Chagnon, Université de Montréal

The Indigenous Data Landscape in Canada: An Overview
Jeannette Steffler, Aboriginal Affairs and Northern Development Canada

The First Nations Regional Early Childhood, Education and Employment Survey
(FNREEES): Challenges and opportunities
Gail McDonald, First Nations Information and Governance Center

The First Nations Regional Early Childhood, Education and Employment Survey
(FNREEES): An Overview with key results
Katie Wood, First Nations Information and Governance Center

Wednesday, June 1, 12:30-1:30

LUNCH

Session 1.4: Health and Morbidity

Wednesday, June 1, 1:30-2:45

Location: Administration Building (AD) Room 140

Session Organizer: René Houle, Statistics Canada

Session Chair: Michael Haan, Western University

Investigating changes in leisure-time physical activity over time in Canada: Findings from the National Population Health Survey
Perks, Thomas. University of Lethbridge.

Parveen Nangia, Unmet Health Care Needs of Seniors in Canada.

XiaoYu Gong, José Ignacio Nazif-Muñoz, and James Falconer, Do Rich People have More Sex and Better Sex? The Moderating Roles of Gender and Health.

Break: 2:45-3:00

Session 1.5: Families and Fertility

Wednesday, June 1, 3:00-4:15

Location: Administration Building (AD) Room 140

Session organizer: Lisa Strohschein, University of Alberta

Session Chair: Lisa Strohschein, University of Alberta

Is There an “English Model” of the Second Demographic Transition? Evidence from Canada, the United States and the United Kingdom
Simona Bignami-Van Assche, Université de Montréal, Shelley Clark, McGill University, Anne Gauthier, Netherlands Interdisciplinary Demographic Institute (NIDI), Rachel Margolis, University of Western Ontario, Amelie Quesnel-Vallée, McGill University and Anaïs Simard-Gendron, Université de Montréal

Family Formation during the Baby Boom in Canada: Geographic, Social, and Cultural Contrasts in Nuptiality and Fertility Patterns
Danielle Gauvreau, Department of Sociology and Anthropology, Concordia University and Benoît Laplante, Centre Urbanisation Culture Société, Institut National de la Recherche Scientifique

Changing Family Portrait: Opposite-sex and Same-sex Couples with Children
Anne Milan, Statistics Canada

Equality, Independence and Common-law Unions
Benoît Laplante, Centre Urbanisation Culture Société, Institut National de la Recherche Scientifique and Ana Laura Fostik, Centre on Population Dynamics, McGill University

CPS Poster Session/Reception

Wednesday, June 1, 4:30 PM - 6:30 PM

Location: AD Atrium (just down from AD 140).

Housing, affordability, and fertility across Canadian Regions: Results from the 2011 General Social Survey. Meryn Severson, Department of Sociology, University of Alberta

LATs in Young Adulthood: Comparing Québec to the Rest of Canada
Lei Chai and Lisa Strohschein, University of Alberta

The Top Ten Reasons to Use the Cohort Change Ratio Method
David A. Swanson, University of California Riverside, Lucky M. Tedrow, Western Washington University

DAY 2: THURSDAY, JUNE 2

Session 2.1: Immigration: Social and health outcomes

Thursday, June 2, 8:30-9:45

Location: Administration Building (AD) Room 140

Session Organizer: Feng Hou, Statistics Canada

Session Chair: Feng Hou, Statistics Canada

Experiences of Everyday Discrimination in Canada by Nativity Status and Immigrant Duration of Residence

Yvonne Chang, Zoua M. Vang, McGill University

The Effect of Social Connectedness and Social Support on Physical and Mental Health among Immigrant and Non-Immigrant Elderly Canadians

Natalie Iciaszczyk, The University of Western Ontario

Unravelling the Healthy Immigrant Effect on Diabetes Risk in Canada: What have Race and Gender got to do with it?

Jones Kwaku Adjei, University of British Columbia, Prince A. Adu, University of British Columbia, Betty Bozoma Blay Ackah, Simon Fraser University

Break 9:45-10:00

Session 2.2: Mortality and the Elderly

Thursday, June 2, 10:00-11:15

Location: Administration Building (AD) Room 140

Session Organizer: Rachel Margolis, Western University

Session Chair: Rachel Margolis, Western University

Title: Socioeconomic inequalities and accelerated declines in colorectal cancer mortality: A modeling study

Authors: Clouston S, Rubin M, Chae D, Freese J, Nemesure B, and Link B.

Can the power of self-rated health for predicting mortality be explained by disease diagnoses? Evidence from Canadian longitudinal health data.

Author: James Falconer

The Empty-Nest Elderly in China and Their Social Participation, Xianling Zhang and Fei Guo, Macquarie University

An empirical analysis of interaction between self-reported health and social engagement of Chinese elderly: evidence from CLHLS 2011

Jiehua Lu, Yue Li, Peking University, and Jinying Wang, Hebei University

Session 2.3: Demographic Analysis: Microsimulation

Thursday, June 2, 11:15-12:30

Location: Administration Building (AD) Room 140

Session Organizer: Alain Bélanger, INRS

Session Chair: Alain Bélanger, INRS

The mechanics of the Baby Boom: a microsimulation approach to assessing the role of nuptiality, fertility, and mortality changes

Patrick Sabourin, Institut national de la recherche scientifique, Samuel Vézina, Institut national de la recherche scientifique, Danielle Gauvreau, Concordia University and Benoit Laplante, Institut national de la recherche scientifique)

Projections of the Aboriginal population and households in Canada using microsimulation

Jean-Dominique Morency, Éric Caron-Malenfant), Simon Coulombe and Stéphanie Langlois Statistics Canada

Projecting super diversity and socioeconomic composition with a microsimulation model
Bélanger, Alain, Patrick Sabourin, Samuel Vézina, Guillaume Marois, Olivier Lafontaine and Kevin D'Ovidio, Institut national de la recherche scientifique

Thursday, June 2, 12:30-1:30 LUNCH

Session 2.4: Demographic Analysis: Population Estimation and Projection

Thursday, June 2, 1:30-2:45

Location: Administration Building (AD) Room 140

Session Organizer: Alain Bélanger, INRS

Session Chair: Alain Bélanger, INRS

Exploring Stable Population Concepts from the Perspective of Cohort Change Ratios: Estimating the Time to Stability and Intrinsic r from Initial Information and Components of Change

David A. Swanson, University of California Riverside, Lucky M. Tedrow, Western Washington University and Jack Baker, University of New Mexico

The Number of Native Hawaiians and Part-Hawaiians in Hawaii, 1780 to 2030: Demographic Estimates by Age with Discussion

David A. Swanson, University of California Riverside

Demographic Implications of the Two-Child Policy in China

Chen Wei, Renmin University of China

Break: 2:45-3:00

Session 2.5: Changing Canadian Families: Insights from the 2011 GSS

Thursday, June 2, 3:00-4:15

Location: Administration Building (AD) Room 140

Session organizer: Lisa Strohschein, University of Alberta

Session Chair: Lisa Strohschein, University of Alberta

Changes in the Length of Healthy Grandparenthood over Time in Canada

Rachel Margolis, Department of Sociology, Western University

Multiple-Partnered-Fertility in Canada: Prevalence, Correlates and Pathways

Ana Fostik and Céline Le Bourdais, Center on Population Dynamics, McGill University

LAT Relationships among Young Canadian Adults

Lisa Strohschein and Lei Chai, Department of Sociology, University of Alberta

Conception and the Risk of Union Dissolution in Cohabiting Relationships

Zheng Wu, Department of Sociology, University of Victoria , Min Tsao, Department of

Mathematics and Statistics, University of Victoria and Briana Liu, Department of

Mathematics and Statistics, University of Victoria

Thursday, June 2, 4:30 PM - 6:00 PM

Location: Administration Building (AD) Room 140

CPS GENERAL MEETING (For all Canadian Population Society Members)

Chair: Alain Belanger, INRS

Thursday, June 2, 6:00 PM - 6:30 PM

Location: Administration Building (AD) Room 140

CPS COUNCIL MEETING (For New and Existing CPS Council members)

Thursday, June 2, 7:00 PM - 9:00 PM

Location: Cucina Market Bistro. 515 8th Avenue SW (This is an easy ride on the C train).

CPS BANQUET (Tickets for this event are \$60 per person. Please pay through Congress registration or pay Don Kerr, CPS treasurer, directly)

Day 3: FRIDAY, JUNE 3

Session 3.1: Inequalities in the Labour Market

Friday, June 3, 8:30-9:45

Location: Administration Building (AD) Room 140

Session Organizer: Lisa Kaida, McMaster University

Session Chair: John Zhao, Statistics Canada

Self-employment among same-sex couples in Canada

Sean Waite, McGill University, and Nicole Denier, McGill University

Effects of Religion and Ethnicity on Earnings Among Immigrants

Eric Fong, University of Toronto, and Josh Harold, University of Toronto

Middle-age employment experiences and future expectation: Differences between men and women

Haosen Sun, University of Toronto

Literacy and numeracy among off-reserve First Nations people and Métis: Do higher skill levels improve labour market outcomes?

Paula Arriagada, Statistics Canada, and Darcy Hango, Statistics Canada

Break 9:45-10:00

Session 3.2: Families: International Perspectives

Friday, June 3, 10:00-11:15

Location: Administration Building (AD) Room 140

Session organizer: Lisa Strohschein, University of Alberta

Session Chair: Lisa Strohschein, University of Alberta

Ambivalent Dyads: A National Profile of Older U.S. Couples

Aniruddha (Bobby) Das, Sociology and Centre on Population Dynamics, McGill University

Contraceptive use, method choice and discontinuation of contraception in South Asia

Md Kamrul Islam, Department of Population Sciences, University of Dhaka

How Low is China's Fertility?

Liu Jinju, Department of Public Administration, Beijing City University and Chen Wei, School of Sociology and Population Studies, Renmin University of China

Kin Support of Single Mothers in Nairobi.
Shelley Clark, McGill University, Sangeetha Madhavan, University of Maryland,
Cassandra Cotton, McGill University, Donatien Beguy, African Population and Health
Research Center, Caroline Kabiru, African Population and Health Research Center

Inequality and Potential Care Worker Supply in Select OECD Countries, Susan A.
McDaniel, Alex Zanidean, University of Lethbridge

Session 3.3: Immigration: New data and research on socioeconomic outcomes

Friday, June 3, 11:15-12:30

Location: Administration Building (AD) Room 140

Session Organizer: Feng Hou, Statistics Canada

Session Chair: Lisa Kaida, McMaster University

"Failed" Social Movement and Intention to Move

Eric Fong, University of Toronto, Eudora Lee, University of Hong Kong, Michael Lee,
University of Toronto, Hang Yue Ngo, Chinese University of Hong Kong, and France
Cheung. Lingnan University

Differences in the location of study of university-educated immigrants

Darcy Hango, Lynn Hamilton, Sarah Jane Ferguson, John Zhao, Statistics Canada

International Students, Immigration and Earnings Growth: The Advantage and
Limitation of Canadian University Education

Feng Hou and Yuqian Lu, Statistics Canada

Friday, June 3, 12:30-1:30, LUNCH

**Session 3.4: How Should Statistics Canada Disseminate 2016 Census results to the
Millennials?**

Friday, June 3, 1:30-2:45

Location: Administration Building (AD) Room 140

Session Organizer: Margaret Michalowski, Statistics Canada

Session Chair: Margaret Michalowski, Statistics Canada

Michael Haan, Western University

Susan McDaniel, University of Lethbridge

Jean-Dominique Morency, Statistics Canada
