---

## WEBINARS

- CRDCN Webinar. Susan McDaniel will be giving a webinar entitled “Multi-Level Income Inequality and Well-Being with Ageing: A Longitudinal Canada/US Comparison. The webinar will be held on December 2, 2016 from 2:00 – 3:15 pm EST. Please visit the [webinar site](#) for registration and further details.
- Introduction to Spatial Regression Models – PopData BC. This webinar series introduces users to the spatial-analytic framework and how spatial regression can be used to explore the importance of spatial relationships between health, social, and environmental processes. The webinar includes four 2-hour sessions beginning on January 31, 2017. Please visit the [webinar site](#) for registration and further details.
- Data Visualization and Display Using R Commander – PopData BC. This webinar series provides an overview of visualization using the R language’s graphic tools. This series will introduce users to the basic principles of graphing data, visualizing data, and displaying data. The webinar will consist of four 2-hour sessions beginning on February 21, 2017. Please visit the [webinar site](#) for registration and further details.

## EMPLOYMENT

**Post-Doctoral Fellowship at the Prentice Institute.** The Prentice Institute for Global Population and Economy is seeking two post-doctoral fellows, with appointments beginning in Fall 2017 and into January 2018. Requirements: PhD in a social science discipline; research expertise in global population; quantitative analytical skills. Please contact [Susan McDaniel](#) for details.

**Demographic Analyst, Government of Alberta.** The Office of Statistics and Information in the Government of Alberta has a job posting for a Demographic Analyst. Details are available at <https://jobs.alberta.ca/> (Job ID 1039109).

**Research Professor, INRS.** The Urbanization Culture Société Research Centre at INRS invites applications for a tenure-track position with a specialization in family research. Interested persons should submit their CV, a copy of three publications, a statement of research interests, a statement of teaching philosophy, and contact details for three references. Application deadline: January 27, 2017. Click [here](#) for complete details.

### Submit your announcements

CPS members are encouraged to submit news from their institution for inclusion in the CPS Bulletin. The purpose of the bulletin is to distribute news about upcoming job opportunities, conferences or workshops, post-doctoral positions, and other time-sensitive information. Please forward your announcements to Christoph Schimmele at [chrissch@uvic.ca](mailto:chrissch@uvic.ca).
