- Spatial Epidemiology and Outbreak Detection

Registration is open until August 19, 2016, subject to availability. For more information and to apply, contact: Maxine Reitsma, Program Coordinator, UVic Continuing Studies. [phda@uvic.ca](mailto:phda@uvic.ca).

---

## EMPLOYMENT

- The Department of Sociology in the Faculty of Arts at the University of British Columbia (Vancouver) invites applications for a tenure-stream faculty position at the rank of Assistant Professor beginning July 1, 2017 (subject to final budgetary approval). The substantive area of specialization is the sociology of families in all their diverse forms. Closing date: September 15, 2016.
- The Department of Sociology at Western invites applications in the general area of Population Dynamics and Social Inequality for two full-time faculty positions. Successful applicants' rank and tenure status will be determined by their qualifications and experience. The starting dates for these appointments is July 1, 2017 or as negotiated. Closing date: September 15, 2016.
- The Department of Sociology, University of Toronto invites applications for a tenure-stream appointment at the rank Assistant Professor in the areas of race/ethnicity and urban sociology/community. Candidates with an additional research interests in an area that complement our departmental strengths in immigration, gender, work/stratification/inequality, or health are preferred. The appointment will begin on July 1, 2017. Closing date: September 8, 2016.
- The Department of Sociology at the University of Pennsylvania invites applications for a tenure-track Assistant Professor position in the area of health and inequality. We encourage applications from candidates with expertise in the social determinants of health that pay particular attention to the role of diversity and inequality along socioeconomic, gender, and racial/ethnic lines in affecting health outcomes. Closing date: September 15, 2016.

## BOOK REVIEWERS WANTED

If you are interested in reviewing a book for **Canadian Studies in Population**, or have a recommended title, please feel free to contact us at the Canadian Studies in Population Office, at: [cspeditr@ualberta.ca](mailto:cspeditr@ualberta.ca). See the below list of available books (updated as of June 25th, 2016).

### [Books currently available for review \(June 25th, 2016\)](#)

#### \*\*\*CORRECTION\*\*\*

The last issue of the CPS News mistakenly reported that Reginald Bibby and Bonnie Lee were given CRC appointments. These are not CRC appointments, but University of Lethbridge Board of Governors' Chair appointments.
