### **Public Health**

*Epidemiology*

Assist/Assoc Professor - 1300850

Closing Date: October 15, 2013 or until filled

The Dalla Lana School of Public Health is seeking individuals with a specialization in Chronic Disease Epidemiology and strong methodological skills. The candidate will be expected to initiate and lead an independent research program of international calibre concerning risk factors for and/or the impact of recognized or emerging chronic health conditions (including but not confined to population-based outcome or mortality studies, analytic studies of potential etiologic factors, and studies relating to chronic disease prevention and control).

### **Economics**

*International Trade*

Assoc/Full Professor - 1300993

Closing Date: November 24, 2013

The successful candidate must have a proven record of excellence in research and teaching in international trade, and have earned a Ph.D. or equivalent. Duties include undergraduate and graduate teaching and research.

*International Economics*

Assistant Professor - 1300991

Closing Date: November 24, 2013

The successful candidate must have evidence of excellence in research and teaching in International Economics, and have earned a Ph.D. or equivalent by July 1, 2014 or soon thereafter. Duties include undergraduate and graduate teaching and research.

*Urban Economics*

Assistant Professor - 1300995

Closing Date: November 24, 2013

The successful candidate must have evidence of excellence in research and teaching in Urban Economics, and have earned a Ph.D. or equivalent by July 1, 2014 or soon thereafter. Duties include undergraduate and graduate teaching and research. The successful applicant will hold a joint appointment between the Department of Economics (51%) and the School of Public Policy and Governance (49%).

*Macroeconomics*

Assistant Professor - 1300992

Closing Date: November 24, 2013

The successful candidate must have evidence of excellence in research and teaching in Macroeconomics, and have earned a Ph.D. or equivalent by July 1, 2014 or soon thereafter. Duties include undergraduate and graduate teaching and research.

*Microeconomics*

Assistant Professor - 1300990

Closing Date: November 24, 2013

The successful candidate must have evidence of excellence in research and teaching in Microeconomics, and have earned a Ph.D. or equivalent by July 1, 2014 or soon thereafter. Duties include undergraduate and graduate teaching and research. Priority will be given to candidates with a research agenda in applied microeconomics.
