

Canadian Population Society (CPS) 2004 Annual Meetings
Congress of the Humanities and Social Sciences, University of Manitoba, Winnipeg

Overview of sessions* (2004-05-25)

	<i>Chair</i>	<i>Time</i>
Daily	<i>On-site registration and check-in at University Centre</i>	07:30-19:00
Day -1	Tuesday evening 1 June 2004 (room 412, 727 MacDermot Ave, downtown)	
Workshop ⁺	Using SAS for longitudinal data analysis (1) Alain Bélanger.....	19:00
Day 0	Wednesday 2 June 2004 (room 105, Drake Centre)	
Symposium ⁺	A journey through data: the riches of the RDCs (1) Rajulton Fernando	08:30
Part 1	Ethno-cultural roots (2) Barry Edmonston.....	08:50
Part 2	Children and education (2) Satya Brink.....	10:40
Part 3	Population health (2) Philippe Finès.....	13:30
Part 4	Social and economic well-being (3) Pascale Beaupré.....	15:20
	<i>Wine and books (salon Beauséjour, room 204 University Centre)</i>	17:00
Workshop ⁺	Using SAS for longitudinal data analysis (repeat) Judith Rempel.....	19:00
	<i>CPS Council Meeting (room 136 Drake Centre)</i> Frank Trovato	19:30
Day 1	Thursday 3 June 2004 (room 105, Drake Centre)	
Session 1	Determinants of health: socio-economic status, immigration and other factors (5) Frank Trovato.....	08:30
Session 2	Ageing: transitions to retirement, activity patterns, and psychological well-being of the elderly (3) Zongli Tang	10:50
Session 3	Population health research in Manitoba (5) Janet Hagey	13:30
Session 4	Aboriginal peoples and internal migration (5) Mary Jane Norris.....	16:00
	<i>Informal get together at University Club (Pembina Hall)</i>	18:00
Day 2	Friday 4 June 2004 (room 105, Drake Centre)	
Session 5	Immigration and ethnic diversity in Canada. Part 1: Location, fertility, alternative medicine, citizenship (5) John Biles	08:30
Session 6	Immigration and ethnic diversity in Canada. Part 2: Education, occupation, and home ownership (5) Humera Ibrahim	10:40
Demonstration	Globalization and international migration: a framework and materials for research and teaching (1) Alan Simmons.....	13:00
Session 7	Immigration policies, age and sex data, local population estimates, and demographic models (4) Catherine Krull.....	14:00
Session 8	CPS Annual General Meeting Frank Trovato.....	16:00
<i>Banquet</i>	<i>CPS Banquet (downtown Winnipeg)</i> Frank Trovato	19:00
	Guest speaker (1)	21:00
Day 3	Saturday 5 June 2004 (room 105, Drake Centre)	
Session 9	Families and childbearing in Canada (4) Anne Gauthier	08:30
Session 10	Parents and children in Canada (5) Évelyne LaPierre	10:20
Session 11	Demographic perspectives on developing countries. Part 1: Determinants of fertility (6) Danièle Bélanger	13:10
Session 12	Demographic perspectives on developing countries. Part 2: Social and economic challenges to development (6) Alan Simmons.....	15:40
	<i>University of Manitoba President's reception (room 204, University Centre)</i> Emöke JE Szathmáry.....	17:30
	<i>CPS Council wrap-up meeting (room 136, Drake Centre)</i> CPS president-elect.....	19:15

* Except as noted, all sessions take place in room 105 of the Drake Centre, Fort Gary Campus.

+ Limited enrolment. Advance registration required. Workshops (but not Symposium) at downtown location.

Canadian Population Society (CPS) 2004 Annual Meetings
Congress of the Humanities and Social Sciences, University of Manitoba, Winnipeg

Program

	<i>Page</i>
Overview of sessions	1
Information for presenters	2
Program committee	2
CPS officers	2
Detailed agenda: papers by session	3
Author index	12
Conference registration, accommodation, etc.	14
Abstracts and biographic sketches	<i>Separate booklet</i>

Information for presenters

For all regular sessions, a maximum of 15 minutes are allowed for each oral presentation, immediately followed by 5 minutes of questions on that paper. The last 10 minutes of each session are for general discussion on any of the issues raised by the papers. PowerPoint presentations are encouraged. A laptop computer with PowerPoint for Windows, plus a projector for the computerized images will be available at all sessions. A standard overhead projector will also be available for showing transparencies.

Program committee

Program chair	Russell Wilkins (Statistics Canada)
Local organizer	Shiva Halli (University of Manitoba)
Other members	Doug Norris (Statistics Canada)
.....	Alison Yacyshyn (University of Western Ontario)
.....	Rosemary Venne (University of Saskatchewan)
Student paper chair	Tina Chui (Statistics Canada)
Symposium	Gustave Goldmann (Statistics Canada)

CPS officers

President	Frank Trovato (University of Alberta)
Past President	Roderic Beaujot (University of Western Ontario)
Vice-president	Russell Wilkins (Statistics Canada)
Secretary-treasurer	Rajulton Fernando (University of Western Ontario)
Councillors	Tina Chui (Statistics Canada)
.....	Shiva Halli (University of Manitoba)
.....	Catherine Krull (Queen's University)
.....	Andy Siggner (Statistics Canada)
.....	Richard Wanner (University of Calgary)
.....	Zheng Wu (University of Victoria)
.....	Alison Yacyshyn (University of Western Ontario)
Journal editor	Wayne McVey (University of Alberta)
Newsletter editor	Gustave Goldmann (Statistics Canada)
Webster	Sue Shiel (University of Western Ontario)

Tuesday evening, 1 June 2004

On-site registration and check-in at University Centre (daily) 07:30-19:00

Pre-conference workshop 19:00-22:00

Chair Alain Bélanger (Demography Division, Statistics Canada).

Location Room 412 Brodie Centre, 727 McDermot Ave (Manitoba Centre for Health Policy,
Bannatyne Health Sciences campus, downtown Winnipeg).

Note Limited enrolment. Advance registration required.

Lisa Lix (Manitoba Centre for Health Policy, University of Manitoba). *Using SAS for longitudinal data analysis. Workshop 1.*

Wednesday morning, 2 June 2004

Symposium **A journey through data: the riches of the Research Data Centres** **08:00-17:30**
All-Congress Symposium (Event #900)

Location Room 105 Drake Centre, Fort Gary (main) campus, University of Manitoba.

Organizer Gustave Goldmann (Research Data Centres, Statistics Canada).

Chair Rajulton Fernando (Department of Sociology, University of Western Ontario).

Note *Free enrolment. Advance registration requested.*

Coffee and other refreshments 08:00-08:30

Gustave Goldmann (Research Data Centres, Statistics Canada). *An overview of the Research Data Centre (RDC) program and this Symposium.* 08:30-08:50

Part 1 Ethno-cultural roots **08:50-10:10**
Chair Barry Edmonston (Portland State University)

Jennifer Chard (Immigration and Ethnicity Statistics, Statistics Canada). *The Ethnic Diversity Survey (EDS).*

Jessie-Lynn MacDonald (Special Surveys Division, Statistics Canada). *The Longitudinal Survey of Immigrants to Canada (LSIC).*

Mid-morning break 10:10-10:40

Part 2 Children and education **10:40-12:00**
Chair Satya Brink (Learning Policy Directorate, Human Resources Development Canada)

Lynn Barr-Telford, Fernando Cartwright (Centre for Education, Statistics Canada). *The Youth in Transition Survey (YITS) and other educational data.*

André Cyr, Charles Tardif (Longitudinal Special Survey Methodology, Statistics Canada). *The National Longitudinal Survey of Children and Youth (NLSCY).*

Lunch 12:00-13:30

Wednesday afternoon, 2 June 2004

Symposium **A journey through data: the riches of the RDCs (continued)** **13:30-17:30**
 Location Room 105 Drake Centre, Fort Gary (main) campus.
 Organizer Gustave Goldmann (Research Data Centres, Statistics Canada).
 Note *Free enrolment. Advance registration requested.*

Part 3 Population health **13:30-14:50**
 Chair Philippe Finès (Régie régionale de la santé et des services sociaux de l'Outaouais, and Health Analysis and Measurement Group, Statistics Canada)

Mario Bédard (Health Statistics Division, Statistics Canada). *The Canadian Community Health Survey (CCHS).*

France Bilocq (Health Statistics Division, Statistics Canada). *The National Population Health Survey (NPHS).*

Mid-afternoon break *14:50-15:20*

Part 4 Social and economic well-being **15:20-17:30**
 Chair Pascale Beaupré (Demography Division, Statistics Canada)

Susan Stobert (General Social Survey, Statistics Canada). *The General Social Surveys (GSS).*

Marie Drolet (Business and Labour Market Analysis, Statistics Canada). *The Workplace and Employee Survey (WES).*

Heather Lathe (Income Statistics Division, Statistics Canada). *The Survey of Labour and Income Dynamics (SLID).*

Gustave Goldmann (Research Data Centres, Statistics Canada). *Wrap-up (10 minutes).*

Wine and books (salon Beauséjour, room 204 University Centre) *17:00-19:00*

Repeat of pre-conference workshop **19:00-22:00**

Chair Judith Rempel (Community Strategies, City of Calgary)
 Location Room 412 Brodie Centre, 727 McDermot Ave (Manitoba Centre for Health Policy, Bannatyne Health Sciences campus, downtown Winnipeg)

Note *Limited enrolment. Advance registration required.*

Lisa Lix (Manitoba Centre for Health Policy, University of Manitoba). *Using SAS for longitudinal data analysis. Workshop 2 (repeat).*

CPS Council Meeting **19:30-21:30**

President Frank Trovato (Department of Sociology, University of Alberta).
 Location Room 136 Drake Centre, Fort Gary (main) campus.

Thursday morning, 3 June 2004**Session 1 Determinants of health: socio-economic status, immigration
and other factors 08:30-10:20**

Chair Frank Trovato (Department of Sociology, University of Alberta).

Location Room 105 Drake Centre, Fort Gary (main) campus, University of Manitoba.

Philippe Finès (Régie régionale de la santé et des services sociaux de l'Outaouais, and Health Analysis and Measurement Group, Statistics Canada). *Does the income-mortality gradient vary across urban areas in Canada?*

Sharon M Lee (Department of Sociology, Portland State University). *Acculturation and health: an exploratory study of immigrant women in the United States.*

Edward Ng, Russell Wilkins, Jean-Marie Berthelot (Health Analysis and Measurement Group, Statistics Canada). *Healthy immigrant effect in Canada: a longitudinal perspective using National Population Health Surveys.*

Yimin Lou (Department of Sociology, University of Western Ontario). *How socio-economic position, structures and transformations of families influence people's health status and behaviours.*

Russell Wilkins (Health Analysis and Measurement Group, Statistics Canada), William J Kierans (British Columbia Vital Statistics Agency), Michael Kramer (Department of Pediatrics and Department of Epidemiology and Biostatistics, McGill University) et al. *Using linked birth and infant death data to describe disparities in birth outcomes across various demographic groupings in British Columbia from 1981 through 2000.*

Morning break 10:20-10:50

**Session 2 Ageing: transitions to retirement, activity patterns,
and psychological well-being of the elderly 10:50-12:00**

Chair Zongli Tang (Department of Sociology, Auburn University at Montgomery).

Location Room 105 Drake Centre, Fort Gary (main) campus, University of Manitoba.

Leroy Stone, Hasheem Nouroz (Family and Community Support Systems, Statistics Canada), Alexandre Genest (Social Policy, Human Resources and Skills Development Canada), Jacques Légaré (Département de démographie, Université de Montréal). *A new comprehensive measure to identify whether a person is engaged in a transition to retirement.*

Tingting Lu, Anne H Gauthier (Department of Sociology, University of Calgary). *Cross-national differences in the activity patterns of elderly adults.*

Zheng Wu, Christoph M Schimmele (Department of Sociology, University of Victoria). *Living arrangements and psychological well-being of the oldest old population in China.*

Lunch 12:00-13:30

Thursday afternoon, 3 June 2004**Session 3 Population health research in Manitoba 13:30-15:20**

Chair Janet Hagey (Housing, Family and Social Statistics Division, Statistics Canada).

Location Room 105 Drake Centre, Fort Gary (main) campus, University of Manitoba.

Leslie L Roos, Lisa Lix (Manitoba Centre for Health Policy, University of Manitoba). *The future of information-rich environments.*

Evelyn L Forget (Community Health Sciences, University of Manitoba), Leslie L Roos, Randy Walld (Manitoba Centre for Health Policy, University of Manitoba). *How does an individual's past influence current demand for health services?*

Verena Menec, Lisa Lix, Carmen Steinbach, Okechukwu Ekuma, Monica Sirski, Ruth-Ann Soodeen. (Manitoba Centre for Health Policy, Department of Community Health Sciences, University of Manitoba). *An examination of factors related to location of death.*

Patricia J Martens (Manitoba Centre for Health Policy, University of Manitoba). *Rural and northern Manitobans: are they sicker, and do they have less access to health care services than people living in Winnipeg and Brandon?*

Ruth Bond, Leslie L Roos (Manitoba Centre for Health Policy, University of Manitoba). *Web-based tools for research design and project management.*

Afternoon break 15:20-16:00

Session 4 Aboriginal peoples and internal migration 16:00-17:50

Chair Mary Jane Norris (Aboriginal Affairs Branch, Heritage Canada).

Location Room 105 Drake Centre, Fort Gary (main) campus, University of Manitoba.

Andrey N Petrov (University of Northern Iowa and Herzen State Pedagogical University of Russia). *Population dynamics in the Canadian North in the 1990s: factors and spatial patterns.*

Bali Ram, Y Edward Shin (Demography Division, Statistics Canada, Ottawa). *Educational selectivity of interprovincial migration in Canada, 1976-1981 to 1996-2001.*

Yohannes Kinfu (Center for Aboriginal Economic Policy Research, Australian National University). *Spatial mobility among Indigenous Australians: patterns and determinants.*

Andy Siggner, Janet Hagey (Housing, Family and Social Statistics Division, Statistics Canada). *Measuring demographic change in the Aboriginal population residing in urban areas of Canada.*

Heather Tait (Aboriginal Peoples Survey, Statistics Canada). *Country food harvesting and community wellness among Inuit in the Canadian North.*

Informal get-together at University Club (Pembina Hall) 18:00

Friday morning, 4 June 2004**Session 5 Immigration and ethnic diversity in Canada. Part 1:
location, fertility, alternative medicine, and citizenship 08:30-10:20**

Chair John Biles (Metropolis Project, Citizenship and Immigration Canada).

Location Room 105 Drake Centre, Fort Gary (main) campus, University of Manitoba.

*Possible sponsorship by Canadian Heritage Multiculturalism / Citizenship and Immigration Canada
Metropolis collaborative project.*

Feng Hou (Business and Labour Market Analysis Division, Statistics Canada), Larry Bourne (Department of Geography, University of Toronto). *Migration and immigration in Canada's immigrant gateway centres: a comparative study of Toronto, Montreal and Vancouver.*

TR Balakrishnan, Zenaida Ravanera, Teresa Abada (University of Western Ontario). *Spatial residential patterns and socio-economic integration of Filipinos in Canada.*

Alain Bélanger, Stéphane Gilbert (Demography Division, Statistics Canada). *The fertility of immigrant women and their Canadian-born daughters.*

Christopher J Fries (Department of Sociology, University of Calgary). *Ethnic background and the use of alternative medical practices in Canada.*

Kelly Tran (Housing, Family and Social Statistics Division, Statistics Canada), Stan Kustec, Martha Justus (Strategic Research and Statistics, Citizenship and Immigration Canada), Tina Chui (Housing, Family and Social Statistics Division, Statistics Canada). *Becoming Canadian citizens: two data sources, one concept.*

Morning break 10:20-10:40

**Session 6 Immigration and ethnic diversity in Canada. Part 2:
education, occupation, and home ownership 10:40-12:30**

Chair Humera Ibrahim (Multiculturalism Project, Department of Canadian Heritage)

Location Room 105 Drake Centre, Fort Gary (main) campus, University of Manitoba.

*Possible sponsorship by Canadian Heritage Multiculturalism / Citizenship and Immigration Canada
Metropolis collaborative project.*

Martha Justus (Strategic Research and Statistics, Citizenship and Immigration Canada), Jessie-Lynn MacDonald (Special Surveys Division, Statistics Canada). *Selected findings from the Longitudinal Survey of Immigrants to Canada: first steps towards integration.*

Tina Chui, Kelly Tran (Housing, Family and Social Statistics Division, Statistics Canada), Jessie-Lynn MacDonald (Special Surveys Division, Statistics Canada). *Landing a job: the role of foreign credentials.*

Lisa Kaida (Department of Sociology, University of Toronto). *Are skilled workers wasting their brains? A comparison of entry to professional occupations between Canadian-born and immigrants in Ontario.* [WITHDRAWN]

Barry Edmonston (Population Research Center, Portland State University). *Who buys? Home ownership trends for immigrants in Canada.*

Jennifer Chard, Jane Badets (Immigration and Ethnicity Statistics, Statistics Canada). *Ethnic identification in Canada.*

Friday afternoon, 4 June 2004

Lunch 12:30-14:00

Demonstration (during lunch) 13:00-13:30

Alan Simmons (Centre for Research on Latin America and the Caribbean, York University).

Globalization and international migration: a framework and materials for research and teaching.

Location Room 105 Drake Centre, Fort Gary (main) campus, University of Manitoba.

Session 7 Immigration policies, age and sex data, local population estimates, and demographic models 14:00-15:30

Chair Catherine Krull (Department of Sociology, Queen's University).

Location Room 105 Drake Centre, Fort Gary (main) campus, University of Manitoba.

Richard A Wanner (Department of Sociology, University of Calgary), Jaap Dronkers (Department of Political and Social Science, European University Institute). *The effects of immigration policies and welfare regime on the income and occupational status of immigrants to 23 Western countries.*

Shirley Loh, Ravi Verma, Margaret Michalowski (Demography Division, Statistics Canada).

An evaluation of the age and sex data from the 1971 to 2001 censuses of Canada, the provinces and territories.

Zongli Tang (Department of Sociology, Auburn University at Montgomery). *A national cohort method for better age distributions in population estimates.*

Alison Yacyshyn (Department of Sociology, University of Western Ontario). *Models of population, health and food.*

Afternoon break 15:30-16:00

Session 8 CPS Annual General Meeting 16:00-17:30

Open to all members of the Society. Non-members may attend but not vote.

President Frank Trovato (Department of Sociology, University of Alberta).

Location Room 105 Drake Centre, Fort Gary (main) campus, University of Manitoba.

Presidential address 17:10-17:30

CPS Banquet 19:00-23:00

Host Frank Trovato (Department of Sociology, University of Alberta).

Location Royal Crown Banquet and Conference Centre, 28th floor, 83 Gary St (downtown).

Open bar 19:00-20:00

Dinner 20:00-23:00

Guest of honour and dinner speaker 21:00-21:40

Francis Plummer (National Microbiology Laboratory, Health Canada). *The socioeconomic, public health and evolutionary dimensions and implications of HIV/AIDS in sub-Saharan Africa and South Asia.*

Saturday morning, 5 June 2004**Session 9 Families and childbearing in Canada 08:30-10:00**

Chair Anne Gauthier (Department of Sociology, University of Calgary).

Location Room 105 Drake Centre, Fort Gary (main) campus, University of Manitoba.

Germain Bingoly, Évelyne Lapierre-Adamcyk (Centre interuniversitaire d'études démographiques, Université de Montréal). *Attitudes towards the family and fertility intentions among young Canadian men and women.*

Amir Erfani, Roderic Beaujot (Department of Sociology, University of Western Ontario) *Attitudes towards childbearing: a generational shift in the orientation to family and childbearing.*

Zenaida R Ravanera, Fernando Rajulton (Population Studies Centre, University of Western Ontario). *Is there a bifurcation by social status in the timing and trajectories of Canadian women's fertility?*

Catherine D Krull (Department of Sociology, Queen's University). *Women's daily life in San Isidro, Cuba: time-space patterns in a culture of resistance.*

Morning break 10:00-10:20

Session 10 Parents and children in Canada 10:20-12:10

Chair Évelyne LaPierre Adamcyk (Department of Demography, University of Montreal).

Location Room 105 Drake Centre, Fort Gary (main) campus, University of Manitoba.

Pascale Beaupré, Pierre Turcotte (Demography Division, Statistics Canada). *Children and the stability of cohabiting couples.*

Valerie Martin (Centre interuniversitaire d'études démographiques, Institut national de la recherche scientifique), Melinda Mills (Department of Research Methodology, Vrije Universiteit Amsterdam), Céline Le Bourdais (Centre interuniversitaire d'études démographiques, Institut national de la recherche scientifique). *What is the impact of parental divorce on family formation behaviour in Canada?*

Kei Nomaguchi (Department of Sociology, University of Calgary). *Early maternal employment, parenting practices, and children's outcomes: the Canadian experience.*

Don Kerr (King's University College, University of Western Ontario). *Family structure and child outcomes: an illusive relationship.*

Alain Gagnon (Population Studies Centre, University of Western Ontario), Samuel Pavard (Équipe Eco-Anthropologie, CNRS – Musée de l'Homme), Bertrand Desjardins (Programme de recherches en démographie historique, Université de Montréal), Evelyne Heyer (Équipe Eco-Anthropologie, CNRS – Musée de l'Homme). *Mother's death, sibling care and child survival.*

Lunch 12:10-13:10

Saturday afternoon, 5 June 2004**Session 11 Demographic perspectives on developing countries.****Part 1: Determinants of fertility 13:10-15:20**

Chair Danièle Bélanger (Department of Sociology, University of Western Ontario).

Location Room 105 Drake Centre, Fort Gary (main) campus, University of Manitoba.

*This session is sponsored by the Canadian International Development Agency (CIDA), as part of the CIDA-CFHSS Collaborative Program on Conflict, Cooperation and Sustainable Development.*Stephen Obeng Gyimah (Department of Sociology, Queen's University). *Migration and fertility behaviour in sub-Saharan Africa.*Satyajeet Nanda (Gujarat Institute of Development Research). *Determinants of motherhood in teenagers and fate of their pregnancy outcome: evidence from the National Family Health Survey of India.*Ali Muhammad (Department of Sociology, University of Western Ontario). *Time invariant covariates of successive births in Pakistan.*G Mustafa Zahid (Department of Sociology, University of Western Ontario). *Impact of maternal education and health-related behaviours on infant and child survival in Pakistan.*Xingshan Cao (Department of Sociology, University of Toronto). *Does village endogamy affect fertility behaviour? The case of rural China.*Amir Erfani (University of Western Ontario). *Socio-demographic determinants of effective fecundability of married women in Turkey: a hazards-model analysis of first birth interval.**Afternoon break 15:20-15:40***Session 12 Demographic perspectives on developing countries. Part 2:****Social and economic challenges to development 15:40-17:50**

Chair Alan Simmons (Centre for Research on Latin America and the Caribbean, York University).

Location Room 105 Drake Centre, Fort Gary (main) campus, University of Manitoba.

*This session is sponsored by the Canadian International Development Agency (CIDA), as part of the CIDA-CFHSS Collaborative Program on Conflict, Cooperation and Sustainable Development.*Jianye Liu (Department of Sociology and Population Studies Centre, University of Western Ontario). *Who is dropping out of school in Vietnam?*Parveen Nangia (Social Planning Council of Sudbury). *Is gender disparity in child care declining in India? A comparison of findings from the first and second National Family Health Surveys.*Danièle Bélanger (Department of Sociology and Population Studies Center, University of Western Ontario). *Unpacking 'son preference' or the trajectory of a demographic variable.*Stephen Obeng Gyimah (Department of Sociology, Queen's University), Baffour Takyi (Department of Sociology, University of Akron). *Kinship structure and marital stability in Ghana.*D Walter Rasugu Omariba (Department of Sociology, University of Western Ontario). *Family- and community-level clustering of childhood mortality risk in Kenya.*G Edward Ebanks (Department of Sociology, University of Western Ontario). *Population challenges: Cuba and the Dominican Republic.*Barnabé Ndarishikanye (Canadian International Development Agency). *Migrants' remittances from Canada to Central America and the Caribbean.**Closing announcements (Frank Trovato, out-going CPS President) 17:50-18:00**University of Manitoba President's reception (Emöke JE Szathmáry) (rm 204 Univ Centre)..... 17:30-19:00**CPS Council wrap-up meeting (president-elect, Chair) (room 136 Drake Centre) 19:15-20:45*

Font of session number: bold if presenter, regular if co-author, italics if session chair.

Letter abbreviation: E if CPS council, P if program committee, B if banquet, S if Symposium.

Conference Registration, Accommodation, etc.

Conference registration

Congress registration fee (required)

Regular.....\$100 up to March 31, or \$150 from April 1
 Students (incl. post-doc), retired, unwaged.....\$ 40 up to March 31, or \$ 60 from April 1

CPS meeting fees (regular Sessions)--payable along with Congress registration or on-site (Society # 49)

Regular (members and non-members).....\$ 25
 Reduced (students, retired, unwaged).....\$ 20

All-Congress Symposium on A journey through data--the riches of the Research Data Centres

Advanced registration required\$ 20 payable at Congress registration (Event #900)

Workshop on Using SAS for longitudinal data analysis (register for only 1 of the 2 workshops)

Advanced registration required\$ 10 payable at Congress registration

CPS banquet

Advance reservation required\$ 30 payable at Congress registration

CPS membership (includes subscription to Canadian Studies in Population)

Regular (including post-doc)\$ 40
 Emeritus (65+)\$ 30
 Student (excluding post-doc)\$ 15
 Membership application form at www.canpopsoc.org

Pre-payment of Congress registration fee and CPS meeting fees, etc.

On-site registration and check-in

University Centre (Congress Centre), Fort Gary (main) campus, University of Manitoba, Winnipeg
 07:30-19:00 daily during conference (no personal cheques)

Accommodation

Off-campus hotels

Special "CSSH-2004" rates available until March 31. See Congress 2004 *Registration Guide* (page 21) for complete list (www.fedcan.ca).

On-campus residences

Reasonably-priced dormitory rooms are available for conference participants at the main campus of the University of Manitoba, all within 5 minutes walk from the Congress Centre (University Centre). See Congress 2004 *Registration Guide* (page 20) for details (www.fedcan.ca), or the Congress website (www.umanitoba.ca/congress2004).

Transportation

The Winnipeg airport is about 8 km (15 minutes, \$15-\$25 by taxi) northwest of downtown Winnipeg and about 15 km (30-35 minutes, \$25-\$35 by taxi, \$10 by shuttle bus) north of the main (Fort Gary) campus of the University of Manitoba, which is on the banks of the Red River in the south end of the city. From downtown to the Fort Gary campus is about 10 km. City bus fare is \$1.80 cash, payable on the bus.

Funding

For information on the possibility of partial reimbursement of travel expenses for CPS members attending the conference, contact the CPS Secretary-Treasurer, Rajulton Fernando (Department of Sociology, University of Western Ontario, London ON N6A 5C2, telephone 1-519-661-3693, fax 1-519-661-3200, email fernando@uwo.ca). Additional consideration is given to CPS student members.
